

NOAA Restoration Day 2005

Description: Opportunity for NOAA employees to work together to make a difference for Chesapeake Bay through a variety of hands-on, in-the-field restoration activities.

Who:

- NOAA employees from the DC metro area
- Staff from **all** Line Offices
- **Total:** 90-100 people

When: Tuesday, June 14, 2005 (rain date: June 15)

Time: 10am – 3pm (all day event)

Where: Naval Air Station Patuxent River, Webster Field Annex
St. Inigoes, St. Mary's County, Maryland (approx. 2 hours from Silver Spring, MD)

Why NOAA Should Help the Bay:

- Bay is a local treasure that needs our help
- NOAA supports habitat restoration activities
- Headquarters staff want to volunteer and do field work
- Consistent with the NOAA mission
- Employees are supportive of environmental protection and restoration

Variety of Restoration Activities:

1. Bay Grass Growing and Planting
2. Wetlands Planting and Shoreline Stabilization
3. Native Oyster Restoration
4. Shoreline Clean-up

NOAA Working Team Partnership:

- Peter Bergstrom, NOAA Chesapeake Bay Office
- Alison Hammer, NOS-Special Projects
- Rich Takacs, NOAA Restoration Center
- Alison Ward-Maksym, NOAA Restoration Center
